Custom logo packages are available starting at \$200 for the tighter budget. Consider adding a business card and/or stationery design at the time of your logo design for better pricing!

We can vectorize your logo and provide it to you on disk for future print/web needs. Vector graphics are scaleable to any size and are very clean and crisp versus a scan. Pricing depends on complexity of logo (see graphic design rates).

We require 50% of total payment up front and the final amount due upon delivery for all new clients. We accept cash, personal checks, money orders & PayPal.
